

DISCUSSION GUIDE

April 25, 2021

1. Today we discussed women in leadership. Has your perspective shifted at all from hearing today's message?
2. Today we learned how much the culture was trying to influence the church. What in culture do you see trying to influence the church today?
3. Reread our main passage (1 Timothy 2:9-15) and share your thoughts?
4. We learned the importance of surrounding ourselves with good people (not perfect people). Who are some of your closest friends? Do they in anyway draw you closer to Jesus?
5. We learned that leadership can be tough though crucial for the health of the church and our family. Can you think of an area God has called you to lead in?
