

DISCUSSION GUIDE

1. What is it that caused "The Fall of Man?" The search for self gratification and the placing of the self before anything else. What effect has this mindset had on individuals, families, communities and the humanity?
2. How does Philippians 2:3 look to a non-Christian? Does this look weak and worthless?
3. Jesus in His sermon on the mount gave us "kingdom" principles and stated that the "meek," that is the humble, would inherit the earth. Why is humility one of the principle character traits of a Christian?
4. What was the main purpose of Jesus washing the disciples feet?
5. The very plan of salvation reveals to us the GOD of all the universe, Who alone is truly worthy of all worship and praise and yet He humbled Himself a took on a lesser form, all for the purpose of making it possible for man to be brought back to the status of "Children of GOD!" Knowing this, how should we then live?
6. When all is said and done, who are the people that make the greatest impact on those around them, the person seeking his/her own best interest or the one that considers others first?
