

DISCUSSION GUIDE

1. What is the purpose of an education in whatever area you are considering be it, academic, relational, physical, spiritual, etc.?
2. What does the Apostle Paul mean in 1 Corinthians 8:1 when he says, that knowledge puffs up?
3. Moses had been exposed to and received the finest education available to anyone in his time, yet he was lacking so much that it took him another 40 years for GOD to teach him what he truly needed to know in order for GOD to use him. This is the case with nearly every person. What do you think Moses was lacking and how does that relate to you and me?
4. A genuine spiritual education is the greatest education you can receive because having a true relationship with GOD impacts absolutely every area of your life for the better. Far too often we place emphasis on every other type of education and leave the crumbs of our time to our spiritual formation. What steps can we take personally and collectively to change this? Matthew 6:33, if we put GOD first in our lives, everything else falls into its rightful place!
5. Man's education is only for the here and now, GOD's education is not only for success and true contentment in this life but even more importantly for your eternal destiny. Matthew 6:19, where has your focus been?
6. The greatest gift we can leave our loved ones when we pass is the spiritual heritage we pass on to them. May we leave a clear and straight path for them to follow!
