

DISCUSSION GUIDE

June 6, 2021

1. GOD's plans for our lives seldom happen instantly and more often than not the path that defines GOD's plan is filled with trials, failure, disappointment, etc. What have you learned about the process of GOD working in our lives?
2. Too often we grow impatient and try to speed the process up, (Genesis 16:1-6) and give GOD a hand so to speak. Does this ever work out?
3. We experience many different seasons in our Christian walk. Sometimes we are in a season of joy and laughter, sometimes in a season of grief and sorrow, sometimes in a season of tribulation and opposition. How do we understand the love GOD has for us in such different situations?
4. Does GOD love us more when we are experiencing one of life's mountain top experience and is our Heavenly Father upset with us when we are going through difficult times? 2 Corinthians 12:9-10; Hebrews 12:5-8.
5. As a child of GOD, how confident should you be in the things that are currently happening in your life? Is GOD aware of even the smallest detail of your life and can you trust Him? Philippians 1:6; Romans 8:28; 1 Peter 5:7.
