

DISCUSSION GUIDE

February 21, 2021

1. We learned in our new series, More Than Roommates, about the importance of love. Knowing God's love is foundational to sharing love with others (1 John 4:19). Have you experienced God's love and do you feel you are growing in that love?
2. Rick shared about 5 different types of love described in the Bible. Has your understanding of love deepened or shifted?
3. One love described in the Bible is caring for people who cannot care for themselves. Can you tell of a time where someone has did this for you, where you have done this for someone else, or where you have seen this done?
4. We learned in this message that loving yourself is biblical (Matthew 22:39, Galatians 5:14). Self love, though it can be misrepresented, is biblical if done correctly. So, do you love yourself? How so?
5. However God has spoken to us in this message, we need His power to apply it to our lives. Take a moment and pray briefly how you want God to help you apply what you have learned. If you do not feel comfortable praying out loud, just remain quiet and the next person will start praying.
