

Bible Reading Plan 2025

READ: Write the reference for the designated passage of scripture today, as well as any verses that specifically stand out to you.

OBSERVE: What is happening in the passage? What is the main theme? What is the writer trying to communicate? Is there any other passage that would clarify or add to this passage?

APPLY: What is the practical application of this passage? Often there is more than one area of application in a passage. What is this passage saying?

DO: What is God specifically saying to me? What is the focus of this passage for my life? What will I do because of my time in God's Word?

PURPOSE OF BRP 2025:

Our 2025 BRP will take us to a deeper level of understanding of the Psalms. Wherever possible we have connected the Psalm to the Biblical passage that birthed it's writing. Some of those passages are historical and some are prophetic. These passages reveal the real life struggles and challenges that birthed some of the greatest writing in scripture. Our prayer is that as we connect the real life story to the Psalm our own walk with Jesus will be strengthened to allow us to better learn about Jesus, in order to live like Jesus so that we may lead others to Jesus.
